

TOUR de FRANCE

Come with us at Francs on a culinary tour of France.

On the last Wednesday of every month we will be visiting a region of France and bringing to you the best cuisine matched with the best wines from that region.

You will be treated to a 3 course meal from a special menu created with ingredients and recipes from the region. Each course will be complemented with wines chosen by our supplier, Majestic Wines, from the featured region.

Choose 3 courses from our menu and 3 glasses of wine to complement.
